WATER BUREAU

WATER QUALITY MONITORING GRANT APPLICATION PACKAGE. The Water Bureau is announcing the availability of a grant application package (GAP) for three categories of water quality monitoring projects using Fiscal Year 2008 Clean Michigan Initiative-Clean Water Fund monies. Specifically, \$100,000 is available for inland lakes beach monitoring grants, \$150,000 for local water quality monitoring grants, and \$150,000 for emerging issue monitoring grants. Local government and nonprofit entities are eligible for funding and are encouraged to apply either individually or as part of a group. Applicants that receive funding will be required to share the resulting data with the Department of Environmental Quality. The GAP is available on the Internet at: www.michigan.gov/deq/0,1607,7-135-3313_3686_3728---,00.html, or you may contact Denise Page, Water Bureau, at 517-335-6969, or paged@michigan.gov. The GAP contains detailed instructions on developing a proposal, the criteria by which proposals will be evaluated, and the items that should be included with your application. Applications are due by **February 8, 2008**. For questions regarding an inland lake beach monitoring grant application, you may contact Shannon Briggs, Water Bureau, at 517-335-1214, or Email at briggss4@michigan.gov. For questions regarding a local water quality monitoring or emerging issue monitoring grant, you may contact Kay Edly, Water Bureau, at 517-373-4633, or Email at edlyk@michigan.gov.

MONTHLY AIR PERMIT APPLICATION WORKSHOP FOR FIRST-TIME APPLICANTS,

CONSTITUTION HALL, LANSING, MICHIGAN. For most first-time applicants, completing the Permit to Install application is a daunting task. However, submitting a complete and timely application can be more manageable if you know what's expected. The Michigan Department of Environmental Quality is offering this workshop designed to give information on how to submit a complete permit application. Since this workshop is geared to first-time applicants, a significant portion of the session is devoted to your specific application. Air Quality Division permit engineers will be available to discuss your permit application with you one-on-one. To take full advantage of this time with the permit engineer, it is recommended you bring detailed information about your project with you to the session. This training is designed for first-time air permit applicants who need help completing their permit application; however, those who have applied before and need a refresher are welcome to attend as well. Online registration is available on the Web at www.michigan.gov/deqworkshops, click on "Upcoming DEQ Workshops". Registration Fee: \$25, which includes parking in the Ellis Parking Lot on the east side of Constitution Hall and training manual. Information Contact: **James Ostrowski**, Environmental Science and Services Division, 517-241-8057, or Email at ostrowsj@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or Email at deq-ead-env-assist@michigan.gov.

SARA TITLE III TIER TWO WORKSHOPS, VARIOUS LOCATIONS, MICHIGAN. Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA Title III), also known as the Emergency Planning and Community Right-To-Know Act, requires facilities to report information that can be vital to the community's safety. Over 6,000 facilities in Michigan annually submit Tier Two hazardous chemical inventory reports required by SARA Title III to the State Emergency Response Commission (SERC), Local Emergency Planning Committees (LEPCs), and local fire departments. Learn how to complete and submit the online Tier Two report at the 2008 SARA Title III Tier Two Workshops, presented by the Michigan Department of Environmental Quality's Environmental Science and Services Division. SARA Title III emergency planning notification requirements and chemical release reporting requirements in Michigan will also be addressed. This half-day workshop is recommended for owners, operators, and environmental and safety personnel of facilities that have hazardous materials (material safety data sheets required by OSHA) on site. Environmental consultants, LEPCs, and fire department personnel can also benefit from this workshop and are encouraged to attend. A full brochure and online registration are available on the Web at www.michigan.gov/deqworkshops, click on "Upcoming DEQ Workshops." Registration fee is \$75. Registration Information Contact: **Environmental Assistance Center**, 800-662-9278, or Email at deq-ead-env-assist@michigan.gov. CURRENT STATUS OF MICHIGAN BROWNFIELD REDEVELOPMENT INCENTIVES, LANSING COMMUNITY COLLEGE, WEST CAMPUS, LANSING, MICHIGAN.

The Michigan Department of Environmental Quality (DEQ) is hosting two workshops to provide information on financial assistance and economic incentives associated with the redevelopment of brownfield properties in Michigan. Participants will hear about the new Michigan Business Tax (MBT) and the recent amendments to the Brownfield Redevelopment Financing Act (Act 381) directly from professionals involved in drafting the legislation. The current financial status of the DEQ's Cleanup and Redevelopment Program will also be discussed. The target audience for these workshops is individuals familiar with brownfield redevelopment that represent Brownfield Redevelopment Authorities, local units of government, economic development agencies, environmental consultants, developers, attorneys, and other interested groups. Please note that each session will be limited to the first 100 to register. Due to limited space, it is requested that participants only register for one session. To ensure your space, you are encouraged to register soon on-line at www.michigan.gov/deqworkshops, click on "Upcoming DEQ Workshops." Registration fee: \$25 includes materials and continental breakfast. Information contact: **Carrie Geyer**, Environmental Science and Services Division, 517-335-6871, or geyercl@michigan.gov.
